**A MESSAGE FROM THE PRESIDENT,  
BOUNDARY HARRIERS ATHLETICS CLUB**

On behalf of Boundary Harriers Athletics Club I would like to greet the Walkers from all parts of the country on the occasion of this 56th National Championship held on the Isle of Man for the first time.

We also extend our welcome to Officers and Committeemen of the Race Walking Association, together with the Officials appointed by them for today's event, and thank them not only for their efforts today, but also for their devotion to the sport throughout the year.

While I wish you all success, inevitably only one of you can win the title of Twenty Mile Champion. But however, in Athletics there is always tomorrow with its new opportunities to prove yourself the best in the field. Your reward can be not only satisfaction of new achievements, but a participation in International fixtures of the future.

Finally, my personal thanks to members of the club committee and helpers for their efforts which, I am sure, by the end of the day will result in a job well done.

To all competitors, officials and spectators, I wish a happy and memorable afternoon's racing and a pleasant stay on the Island.

**EDWIN DUDLEY**
