There were 24 entries all of whom started.

In the Men's event there were 93 entries of whom 85 started.

The weather was exceptionally fine throughout the whole walk.

Perhaps it was on account of the warm conditions that no walk records were broken.

The Rushen Emergency Ambulance and the St. John Ambulance and Civil Defence personnel gave valuable assistance and Manx Radio covered the later stages of the event.

The Walk was organised by the Boundary Harriers (IOM) AC.
