CLERICAL MEDICAL
INTERNATIONAL

A welcome from the Boundary Harriers Chairman

Welcome to the 2nd CMI Parish Walk. Thank you for your interest and support, be you a newcomer, seasoned entrant, helper or just a spectator.

Last year, in our inaugural year of CMI sponsorship, we enjoyed fantastic weather, and were treated to some excellent walking. Gordon Vale, the overall winner, is a greatly experienced race walker, with international vests to his credit, but he came to the start line never having walked more than 40 miles. He took the lead about 10 miles from home and now feels that he has made his mark on the local scene - he considers that despite his past achievements, he had done nothing in local eyes until then. Now he can say with pride - 'I won the parish walk in 1990' and know that local fans will regard him with some respect.

To all competitors, I would like to offer a word of caution. The parish is a daunting task, so whether your target be to reach one of the early Churches, or to go out to win, please make sure you are well prepared. Read the rules carefully, and please obey the instructions given to you by the race officials.

Due to the tremendous help given to us by Skanco Business Systems, we can offer you a fast and detailed results service, and to help in this I must stress the importance of handing in your race number if you have to retire. It also allows us to ensure that no harm has come to you.

CMI are helping to make this one of, if not the, premier athletic event in the local calendar. Your participation ensures its' success - Thankyou! and good luck.

Martin Lambden.
