Flora London Marathon - Manx runners 2002

IMPORTANT NOTES BY MURRAY LAMBDEN 16 JUNE 2002

1. The above is version 4 and hopefully final (I said that with version 2 and 3!!).
2. Although it is intended to include all Manx entrants in the Flora London Marathon it is not guaranteed to be correct. It has been prepared with the best available information.
3. Many thanks to John Watterson of Isle of Man Newspapers who has freely exchanged information.
4. Thanks to everyone else who has contributed to the compilation of the document. In particular Peter Cooper has played an invaluable role.
5. Times are as published on the official website **www.london-marathon.co.uk**
6. Copyright of the database belongs to Murray Lambden but the data may be freely used for personal use.
7. If there is anyone missing, please bear in mind that John Watterson, Dave Phillips and myself have been appealing for several months for information.
8. Regardless of the above comment, if there is someone missing or where you know of additional information, please let me know.

Thanks
Murray
